No one attending the Memorial Day exercises at Mattapoisett's Library could have failed to be impressed by both words and participation. "This," he said, "is how Memorial Day should be celebrated". Then Captain Whitehurst proceeded to give one of the most meaningful Memorial Day addresses ever heard here. Here was a young man, very definitely of this present generation, yet he spoke strong and sincere words of the selfless valor of the patriots who lay down their very lives for the honor of the United States. He was not speaking of the past alone, but singled out the story of a very recent air force hero. This young man had volunteered to be lowered to a unit cut off in Vietnam. He constantly exposed himself to Viet Cong fire as he went about his mission and was finally killed in the performance of this heroic rescue. The double impact of a

Captain Whitehurst inspired us at the Library, marched with us to the wharf and the cemetery. He helped give a deep meaning to our commitment of honor to our dead. That's how Memorial Day should be celebrated.

## Vocational Vote

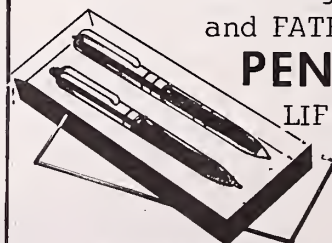

APPROVED BUT MUST BE REVOTED LATER

A special Mattapoissett Town Meeting was held June 1st at Old Hammondtown School which approved an article permitting the Regional District Vocational School Committee to incur debt of \$494,345. Mr. Bernard Talty of the committee made a brief presentation outlining the progress to date and the reason for the article. The article was approved by a vote of 69 to 3. A second article was an appropriation of \$2,350.40 as the town's share in the Old Colony Regional-Vocational Technical School District Committee's operating budget for 1972. This article was approved 69 to 2. The third article by the Water Commissioners provided

for the raising and appropriation of money to install 600 feet of water pipe, not less than 6" on Parker Street. The approval was unanimous.

Article 4 sought town approval to authorize the Board of Selectmen to accept Chapter 40 Section 22D of the Massachusetts General Laws to allow them to tow away illegally parked cars. Many questions and statements were made on this article. The town is required to put the towing contract out to a bid on a one year basis. The highest bidder receives the contract which can be bid either per car or for a blanket sum depending on how the bid is written. The holder of the contract then takes his fee directly from the car owner for towing and storage. The fee is fixed by the law as to the maximum which can be charged. This article was adopted unanimously.

All the member towns of the Regional Vocational District voted in favor of the incurrence of debt with one exception. Free-

ART FESTIVAL '72

At 10:00 A.M., Saturday morning, July  
8th, the striped tents of the Art Festival  
will open on the grounds of the Mattapoi-  
sett Historical Society to over 150 artists  
and craftsmen to the accompaniment of  
twelve hours of continuous live music.

A brand new category - photography -  
has been added to this year's festival and  
will be judged as a separate division.

Invitations to judges in the fields of fine  
arts, crafts and photography have been  
sent and the board of judges will be an-  
nounced next week. First, second and  
third prizes and honorable mentions will  
be awarded in each category.

Once again, craftsmen and artists will  
be on hand to demonstrate their individual  
efforts and in some cases allow the spec-  
tator to try his hand at a craft - a loom or  
potters wheel.

Nora DeCoffe and her "boys" will be  
back once again reigning over the grille  
and providing hot food and cold drinks for  
two thousand visitors.

## 'A Gull's Eye View'

### HISTORICAL SOCIETY ANNUAL MEETING

"A Gull's-Eye View of Mattapoisett" by Jamie Seagull and his creator, Miss Betty Preston of Conshohocken, Pennsylvania, will be presented at the annual meeting of the Mattapoisett Historical Society June 15th, at the Historical Museum on Church Street at 8 P.M.

Miss Preston became captivated by our town's natural, unspoiled beauty as a summer guest of Miss Honora Furtado five years ago and since then has compiled a progressive portrait of Mattapoisett that reached its conclusion last August. Her eloquent slides intensify the quaint charm of the village, the gracious houses, the sparkling harbor and the peaceful quiet of the river as few professional photographers have ever been able to accomplish.

Common flowering weeds, for example, become a revelation in beauty as she focuses her lens on the unseen miracles beneath our feet.

Miss Preston has been called upon to ex-

## Dollars for Scholars

The Old Rochester Regional Chapter of the Citizens Scholarship Foundation met recently at the Marion home of Mr. and Mrs. Calvin Allyn to discuss the latest developments in this year's Dollars for Scholars campaign.

Treasurer Mr. William Betts announced that donations and pledges presently gross \$3,200. and reminded all contributors that checks should be made out to "Dollars for Scholars" and mailed to the Chapter President, Mr. Charles Dunn, Point Connett, Mattapoisett.

Applications from college students entering their second, third or fourth year of study are still being accepted. Of particular interest in this category is the Mattapoisett Lions Club \$300. annual award. Application forms may be obtained from Mr. David Hagen at the Guidance Office, Old Rochester Regional High School.

Mr. Dunn, who conducted the meeting, emphasized the aim of the program. The scholarship awards are not "prizes" for academic achievement. The awards are actually financial assists to college students at a time of need. Award recipients are thus requested to return money to the

## For 7th Grade Parents

### ORIENTATION PROGRAM

On Wednesday, June 7th, at 7:30 P.M. an orientation program for parents of present seventh graders and entering seventh graders will be held in the Library of the Old Rochester Regional High School. Held under the sponsorship of the Local Education Committee of the League of Women Voters of the Marion Area, the program will present a panel of ORR administrators, who will inform parents about the new Junior High curriculum, planned teaching innovations, guidance, extra-curricular activities, etc.

There will be an opportunity for parents to question members of the administrative staff, and refreshments will be served. The general public is welcome to attend.

### CUB SCOUT PACK 15

Hey Moms and Dads, let's get together with the boys on June 8th, Thursday, at 6:30 at Old Rochester for the Parents-Boys' races. After the races the scouts will be taken for ice cream. Rain date will be June 13th, same time, same place.

### A THANK YOU

On behalf of the boys of Cub Scout Pack

15, I would like to thank Mrs. Anna Bradley and Mr. Donald Jason for the publicity they gave us during the past year.

Nancy Quinlan

### A THANK YOU

A sincere thank you to the 100 wonderful people who collected for the Tobey Hospital Building Fund and to everyone in Mattapoisett who gave so generously to this most worthwhile cause. Since some people are still collecting, and more are still donating, we don't have a final figure, but Mattapoisett has reason to be proud of its response to the general solicitation. Much

### SPORTS COMMITTEE TO HOLD DANCE

The Mattapoisett Sports and Athletic Committee's annual summer dance will be held on Saturday, June 17th, at the K of C hall from 8:30 P.M. to 12:30. The Smooth Rhythms of Ray Besse's orchestra will be featured. A buffet will be offered and there will be door prizes.

Tickets may be purchased from any committee member or at the door.

A great evening is promised. The proceeds from this dance help to defray the cost of the awards and jackets presented to the youth of the town involved in the sports programs.

### ALMITRA

The Mattapoisett Coffee House would like to announce the start of their third summer. Starting in 1970, Almitra has weathered all the seasons by the grace of generous people. Her main purpose has been introducing a young audience to folk music and providing entertainment and a gathering place for people interested in music. Last summer she had three outside coffee houses which will be repeated this year, although the location is uncertain. She hopes to get some real

fine programs together this summer. Anyone who wishes to share anything with the people at Almitra is welcome to do so. Her audience, always changing, is usually appreciative. She runs from 8 to 11 P.M. on Friday nights in the basement of St. Anthony's Church in Mattapoisett. The staff asks for your support and thinks you'll enjoy yourself if you come. If you have any comments or questions, feel free to call Sally Jones at 758-6601.

Sending wishes for a beautiful summer,

## Memorial Day Y.C. Races

Twelve boats competed in three classes Sunday afternoon, May 28th, in the seventh annual Memorial Day Race for sailboats, co-sponsored by the Mattapoisett Yacht Club and the Mattapoisett Boatyard. The Mattapoisett Boatyard provided the trophies.

The winners were Susan McGowan, Bill MacLean and Joan Darrah.

It was a bright, sparkling day with steady 15-25 mile southwest winds, mild temperatures, and almost endless visibility - sailor's racing day, if there ever was one.

The Handicap fleet of seven sailed a 11.3 mile course from Ned's Point to Nye's Ledge Black Bell 9A, to West Island Ledge Red Bell 2, to Mattapoisett Ledge Black Can 1 and finish.

Paula Ruel's Tiara soon took the lead and maintained it throughout. The ending on corrected time, however, was a dramatically close one with Tiara dropping back to second place and Susan McGowan's Gryphon winning by only six seconds. Peter Anthony, at the helm of Eclipse, was third. Wallace Underwood's entry, the smallest boat in the division, made an excellent

A six-legged course, assigned to the four Corinthians, took them to Mattapoisset Neck MYC Guide Buoy, to Town Anchorage Red Nun 8, to Mollys Cove MYC guide buoy, to Ned's Point MYC guide buoy, to Sunken Ledge Black Can 5 and finish at Ned's Point.

Bill Hall in Detente led at the start and also at the first three markers by a substantial margin. Then he headed for the wrong marker; although quickly correcting the error, the costly maneuver enabled Bill McLean's Escape to cross the time by a margin of 2 minutes, 5 seconds. Billy Mee's Irish Eyes came in third.

The Beetle Cat division was originally scheduled for four entrants, but since only two skippers answered the starting gun, it ended up as a match race between Joan Darrah's Duke and Jimmy Broadwater's Agamemnon. It was a grand race all the way, with Joan Darrah eventually the victor. They followed a shortened version of

### TROOP 2 ACTIVITIES OF THE YEAR

In October we went on an old time hay-  
ride with horse and wagon. It took us  
through the back roads of Fairhaven and  
Mattapoisett. We had hot chocolate and  
cookies as it was a cold night.

We had an outing at Mrs. Lemieux's and  
learned to make campfires, enjoyed games  
and went on a hike.

In November, we helped the Red Cross  
make nut cups for hospitals at Thanksgiving  
time.

In December, we gave a Christmas party  
for 21 children. The girls planned the  
party which included games, parties and  
gifts. Everyone seemed to enjoy it.

In January, we had a meeting at Mrs.

March found Troop 2 very busy. We had a hike from the Trading Post to the Boy Scout Camp on Mr. Nunes' farm. We cooked over campfires. We participated on Girl Scout Sunday for the 60th anniversary of Girl Scouting by attending the church with the other Girl Scouts with a reception following at the Congregational Church. We were joined by our parents for refreshments.

Mrs. Lemieux, Mrs. Laplante and Mrs. Morris took us for an afternoon of roller skating at Lincoln Park.

In April, we went camping at Greenbriar for a weekend. The weather was cold and snowy but we still had a good time. The girls worked on the "Sign of the Arrow" badge and went to the Police Station. Officer Moore showed them through the station, where he explained to them about drugs, fingerprinting, etc. The girls earn-

## HERE'S HOW IT WORKS

Select the merchandise you want from our fresh, new, exciting stock of apparel and sportswear.

Total it up. Then, before you pay, pick one of the balloons floating on the ceiling (there will be hundreds of them).

On the top of each balloon, you will find the % of discount that you will receive. Deduct this percentage from your total bill and that's all you pay.

Discounts will run from 10% to 100%. Perhaps you will be the lucky chooser of a 50%, 75% or 100% discount!
